COMMISSIONER'S SALE OF LAND, MILLS, TANNERY, &c., IN GOOCHLAND, THE undersigned, as Commissioner appointed by a decree of the County Court of rioochland, In the case of Fowler and others e.s. Shelton and others, will, on MONDAY, the 15th day of November, 1817, at Goochland Court house, offer for sale, by public auction, to the highest bidder, that portion of the lands of the Estate of the late Col. Joseph Shelton, in the county of Goochland, which has been allotted to the heirs of the late Major Thomas Shelton. The tract contains about 15b acres, a portion superior meadow, with an abundance of wood for the support of the place, and attached to which is that valuable Grist and Flour Mill known as "Shelton's Mill." The Mill is situated on an unfailing stream, in command of an extensive custom, which it must retain, as there is no other mill in the neighborhood. The principal works are of fron, which will render material repairs unnecessary for years. There is also on the land a Tannery, now in successful operation. It is believed to be a good stand for a Store, Smith's Shop, &c.

I deem it unnecessary to enumerate the advantages of this property in detail;—purchasers are invited to examine it. The property is situated on the White Hallroad, within two miles of Micajah Parrish's, and seven miles above Goochiand Court-house. The property rents this year for \$360. In the hands of an enterprising proprietor, its value would be greatly enhanced.

corner of this tract, Mr. Randolph has reserved a right to dig coal.

These tracts of land are contiguous to each other.—
They form a body of land of great fertility, and in the highest state of improvement. Their vicinity to Richmond, being distant from ten to twelve miles; the advantages of the canal, which passes at the foot of the hills, in a simation to do the least possible injury; the means it affords of irrigation and of a water power, there being a perpetual waste of water at two points, with the value of the coal property, make it perhaps the most valuable estate that was ever offered for sale in Virginia—near 300 acres have been limed with great benefit. About 1,000 bushels of wheat will be sown better the sale.

The tracts will be offered for sale at ELLERSLIE, which is nearly central, in the order as above described. The terms, according to the decree, will be as follows, viz: one fourth of the purchase money in cash, and the residue in three equal instalments of one, two and three years, bearing interest from the first day of January next, when possession of the property with be delivered; the purchasers executing bonds for the credit payments, and receiving no conveyance till the purchase money shall be paid, and a conveyance directed by the Court.
